NC State Industry Expansion Solutions and The University of Tennessee Center for Industrial Services have partnered to offer OSHA training throughout the states in Region IV since 2008. We are an OSHA-authorized provider of trainer courses, standards and technical courses, as well as two safety certificate programs. We provide the US Department of Labor OSHA Outreach Training Train-the-Trainer Program, OSHA's primary means of training employees in the basics of occupational safety and health. Courses are available for construction, general industry, food and beverage manufacturing and disaster site safety.
